ORDER

(Passed on this 14th day of May 2010)

This case relates to a proposal dated 18 February 2008 received from Mormugao Port Trust (MOPT) for rationalisation of its storage charges and rent on plots.

2. The proposal of MOPT for rationalisation of its storage charges and rent on plots was filed prior to the general revision proposal filed by MOPT in December 2008. The MOPT has accordingly included the proposed provisions in the revised general revision proposal filed subsequently. Though, the proposal of MOPT for rationalisation of storage charges and plot rental has been processed separately, it will form part of scale of rates of the port. As such, the proposal of MOPT for rationalisation of its storage charges and rent on plots is included in the Order passed in the general revision case of MOPT.

3. In the result, the proposal of the MOPT for rationalisation of storage charges and rent on plots is taken as disposed in view of the Order passed in its general revision case.
