3. The VPT vide letter dated 14 June 2003 has requested this Authority to extend the validity of the existing rates till November 2003 since the proposal for revision of its rates is under consideration.

4. It may be relevant here to mention that subsequent to the last general revision, various revision/rationalisation have been carried out in the VPT Scale of Rates. Some of the main items are listed below:

- (i). Fixation of consolidated charges for transshipment of dry bulk cargo
- (ii). Fixation of tariff for transshipment of POL at anchorage, consolidated charge for shifting fenders for POL vessels.
