ORDER

(Passed on this 31st day of July 2018)

This case relates to the proposal dated 11 June 2018 received from the New Mangalore Port Trust (NMPT) for fixation of final wharfage charges for shipment of iron ore fines from Jetty No.8 by the Kudremukh Iron Ore Company Limited (KIOCL) through the NMPT during year 2016-17 through NMPT.

2. The wharfage rate for the iron ore/pellets exported by the KIOCL through the NMPT is calculated annually with reference to actual expenditure following the methodology decided in the Inter-Secretarial meeting held on 27 May 1992 between the Secretary (Ministry of Surface Transport) and the Secretary (Steel). Accordingly, the following components are included for calculation of wharfage for shipment of iron ore or pellets of KIOCL from NMPT:

- (i). Share of operating expenditure of Traffic Department.
- (ii). Dredging expenditure proportionate to the traffic handled.
- (iii). Depreciation.
- (iv). Share of Management and Administration overheads.
- (v). Interest on Capital.
- (vi). Return on Capital @6%.

3. The proposal for fixation of wharfage rate of ₹54.49 per MT for iron ore fines exported by KIOCL during the year 2016-17, follows the methodology agreed in the inter-Secretarial meeting. The statement of calculation of wharfage for the year 2016-17 submitted by NMPT has been accepted by KIOCL and a copy of the consent letter No.KIOCL/FAC/MR/761 dated 07 June 2018 of KIOCL is also made available by NMPT along with its proposal.

4. Since both the parties have undergone the process of mutual consultation between them and the correspondence exchanged between them reflects the views of both the parties, a separate hearing in this case is not considered necessary.

5. The proposed wharfage rate is based on agreed methodology. Since both the parties have agreed to the proposed wharfage rate, this Authority is inclined to approve the rate proposed by the NMPT.

6. Accordingly, based on a collective application of mind, this Authority approves the proposed wharfage rate for iron ore fines exported by the KIOCL at Jetty No.8 of the NMPT during the year 2016-17 from New Mangalore Port at ₹54.49 PMT.
