O R D E R

(Passed on this 4th day of December 2001)

The Chennai Port Trust (CHPT) has awarded a licence to the Chennai Container Terminal Limited (CCT) for development and management of the Chennai Container Terminal for a period of 30 years. A licence agreement in this regard has also been signed between them on 9 August 2001.

2. The CCT has filed a tariff application seeking approval of this Authority of container handling charges based on its estimated traffic and costs. This proposal is being processed following the prescribed consultation procedure. This proposal is in an advanced stage of processing for final consideration.

3. In the meanwhile, the CCT has now intimated that it has taken over the Container Terminal on 30 November 2001. It has also requested for permission to continue with the existing tariff for container handling, approved and notified for the CHPT, as an interim arrangement.

4. This Authority, therefore, authorises the CCT to levy charges in its container terminal at the existing rates notified for the CHPT. This interim

arrangement will continue till final disposal of the CCT's proposal for separate tariffs for its Container Terminal operations.
