**Tariff Authority for Major Ports**  
**Case No. TAMP/63/2005 - COPT**

### **ORDER**

(Passed on this 26<sup>th</sup> day of June 2006)

The Scale of Rates (SOR) of the Cochin Port Trust (COPT) was last revised by this Authority in December 2003 and was notified in the Gazette of India on 14 January 2004. The validity of the Scale of Rates was prescribed for two years from the date of notification of the Order and accordingly, it fell due for review in January 2006.

2. The general revision proposal filed by the COPT in November 2005 was in initial consultative stage and hence the Authority vide its Order dated 4 January 2006 had extended the validity of its existing Scale of Rates till 30 June 2006 or till the notification of final Order whichever is earlier.

3. Since the existing Scale of Rates of the COPT is valid till 30 June 2006 and its general revision proposal will take some more time to finalise, this Authority accepts the request of the COPT and extends the validity of the existing Scale of Rates of COPT for a further period of 6 months or till the implementation of final rates to be notified by this Authority, whichever is earlier.
